Summary

Infrastructure engineer who runs production services and handles escalations across Linux, Windows, virtualization and networks. Led NOC operations, moved selected VM workloads into containers and built release and recovery checks for client systems.

Skills

- Linux, Bash
- VMware ESXi, Hyper-V
- Docker, Kubernetes
- VPN, Windows Server
- SOC 1, SOC 2

Professional Experience

Founder / Product Engineer / Systems Lead

Technomancy IT LLC

Present

- Operate client infrastructure and support Windows, Azure and AWS systems, from troubleshooting through business-facing follow-up.
- Built container release checks and a PostgreSQL restore verifier that checks backup checksums and checks restored tables.

Senior Systems Engineer / Datacenter Architect

Front Range Internet Inc.

2015 - 2020

- Ran NOC operations and took engineering escalations for hosting and colocation customers. Led SOC 1 and SOC 2 audits.
- Migrated workloads from Hyper-V and VMware ESXi to Docker and Kubernetes; built repeatable diagnostics for operators.

Systems / Software Engineer

Office Evolution

2014 - 2015

- Built Linux routing and Node.js provisioning automation for office VLANs, Wi-Fi access and front-desk troubleshooting.

Network & Systems Engineer

PlumChoice / Everon

2012 - 2014

- Provided on-call support for managed client systems, networks and endpoints; built repeatable diagnostics for recurring issues.

Infrastructure and Systems Focal

IBM

2010 - 2012

- Wrote Perl, Bash, VBA and PHP automation for enterprise support and built an internal backup tool to reduce licensing costs.

Selected Projects

Excell Services | Hybrid infrastructure modernization

Client engagement through Technomancy IT

- Modernized legacy systems for a major Wray client. Set up Windows Server, Active Directory and VPN access for corporate users.

Technomancy IT | Release and recovery checks

Own technical practice

- Built container release checks and a PostgreSQL restore verifier that checks backup integrity and the restored tables.

Education

Front Range Community College

Computer Science coursework

2011 - 2013

Certifications and Training

CompTIA A+ | CompTIA | Earned

CompTIA Network+ | CompTIA | Earned

Additional training: Anthropic, AWS, Udemy
